The Early Years

THE MISSION OF THE ROTARY FOUNDATION

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

ARCH KLUMPH'S VISION — 1917

It seems eminently proper that we should accept endowments for the purpose of **doing good in the world**, in charitable, educational or other avenues of community progress ...

Welcome Class XVI

Every year the Uppsala Rotary Peace Center, hosted by the Department of Peace and Conflict Research at Uppsala University, welcomes talented and committed professionals as students in the Peace and Conflict Master Program.

This year we are excited to know that professionals from the Americas, Asia, Sub-Saharan Africa, and Oceania will be sharing their professional experiences on conflict prevention, youth and women empowerment, human rights, immigration, refugee crisis, and natural resources management, among other topics.

The Uppsala Rotary Peace Center gives them a warm welcome and wishes them a fruitful path in enhancing their academic background and enjoying the student life at Uppsala University!

"It was lunch-time, I was at work just starting at my computer when the e-mail from Tyler came in. I read the e-mail 3 times before it sunk in that I had been selected. I held on tightly to my desk, should I scream, should I jump, should I laugh or cry? What should I do? I had been selected from among thousands of applicants as a rotary peace fellow. It was an indescribable feeling!" (Maria Osula, Kenya, Fellow Class XI)
